 <p>Five Easy Ways to Grow Your Remarketing Ad Campaigns</p> <p>Remarketing converts potential clients into customers. Statistics indicate that a remarketing ad is 76% more likely to be viewed than a regular display ad. While people want to make ads relatable to various audiences, they may come across as being either generic, or cliched.</p> <p>Read More</p>	 <p>We are not the regular Story tellers of your Brand</p> <p>What makes a brand? It's story - the narrative that is unique to it. But we are not the regular Story tellers of your Brand. At BrandStory we do not get carried away with the idea of just stories. Implementation and the aftermath matters a lot here.</p> <p>Read More</p>	 <p>E-commerce 2.0: How E-commerce Websites are Evolving with their Clients</p> <p>What started as a doubtful journey by Amazon and Paypal, has now become one of the most successful phenomena of the century. E-commerce has had an upward trajectory of evolution since its creation.</p> <p>Read More</p>
